We learn that starting from this Thursday, the 18<sup>th</sup> August, under the auspices of Sri Brahmatantra Swatantra Parakala Mutt, Mysore, Lord Sri Lakshmi Hayagreeva and the Dolai, palanquin will be in sancharam for two months in the United States of America, visiting homes of over 40 devotees in about a dozen different cities for receiving Thirumanjanam and Dolai Sevas.

We understand that this is the first ever such Dolai Tour of the Lord Sri Lakshmi Hayagreeva, in the United States of America and that a large group of devotees of the Lord in the United States of America, who are shishyas of different matams and Acharyas have come together and worked hard for the success of the above seva.

We pray that the Divya Dampatis may bestow their Divine Anugraham on all the devotees and all those who help them.
