

Adhyayanotsam 2018 -2019 at Bengaluru Parakala mutt

Dec 26, 2019 – Jan 17, 2019

The Eighth Annual Tiru Adhyayanotsavam was celebrated from Dec 26, 2018 – January 27, 2019 at the Bengaluru Parakala Mutt. This year, as per the niyamanam of Srimad Acharyan, the utsavam was conducted on a revised calendar (in accordance with that used in the Tirunarayanapuram Sampradayam) resulting in Nammazhvar Moksham on the Bhogi Festival, which was on Jan 14, 2019 this year. Iyarapa Seva, followed by Periya Shattrumurai, was observed, after a two-day break, on January 17, 2019.

The utsavam went very well by all standards. The participation was in excess of 300 reciters on many days, which included in addition to the prabandha goshti, a very sizable veda goshti in the Rk, Yajur and Samvedas. On all the twenty one days of the recital, the participants enjoyed the tadiyaradhanam after the recital and shattrumurai.

Other highlights of the utsavam was a Book Release function and a ten-day upanyasam on Tiruvazhmozhi, both of which are briefly described below.

All aspects of the function went very well, thanks to the generous financial contributions from the devotees and the outstanding work of the organizers and volunteers.
