## Sri Parakala Matham, Tiruvaheendirapuram, TN

This is the newest branch of Brahmatantra Swatantra Parakala Mutt to be established. It was the long-felt desire of our Acharyan, Hh Srimad Abhinava Vageesha Brahmatantra Swatatntra parakala Mahadeshikan to establish the formal presence of Sri Matham in the place where its founder Swamy Deshikan spent a very large part of his life and where he attained the saakShaatkaram of Sri Lakshmi Hayagriva. Acharyan's desire finally attained fruition when a local devotee came forward a few years ago to donate a small plot of land for constructing the Mutt. Then, thanks to the steadfast devotion and effort of a few shiShyas, a small two-story building was constructed on this plot of land at a cost of about Rs.65 lakh. The building became ready for occupation in 2015. Thus came Sri Parakala Mutt, Tiruvaheendirapuram into existence.

**The Front View of the Mutt**

The building is in two floors with a foot print of 15 ft X 40 ft (?). The ground has a prayer hall, a room, kitchen, bath and toilet. It is suitable for the use of Acharya when he visits the town. The upsatirs area has a hall and room with attached bath. The room will be air-conditioned. It will be available for renting by devotees visiting tiruvaheendirapuram. Sri Parakala Mutt, Mysore is one of the ancient Sri Vaishnavite Mutts of India. It was established in 1360 AD by Sri Brahmatantra Swatantra Parakala Swamy.

The first disciple of Sri Vedantha Desika during the lifetime of Swami Desika. The presiding Deity of the Mutt is Lord Sri Lakshmi Hayagreeva, the Aradhana Murthy of Swami Ramanuja and Swamy Vedantha Desika.

Thiruvaheendrapuram is one of the 108 Sri Vaishnava Divya Desams, where Sri Swamy Desikan made special prayers to Lord Sri Lakshmi Hayagreeva & Garuda and the Anugrahams from them, and got the highest Honour from the Devanatha Swamy Devasthanam for the Mutt.

The Present 36th Pontiff of the Mutt, Srividya Abinava Vagheesa Brahmatantra Swatantra Parakala Swamy wanted to construct a Mutt here where Swami Desika stayed here for more than 40 years. & accordingly the building is constructed & it requires another about Rs.20 lakhs for completion.

With a view to enable us to complete the remaining works of the above Mutt, we appeal to all Sishyas, Abhimanis & Philanthropic Institutions to Contribute their mite & receive the blessings of Sri Lakshmi Hayagreeva, Sri Swamy Desika & also His Holiness the Jeer of the Parakala Mutt.
